ARIZONA CORPORATION TO EXTEND
ITS CERTIFICATE OF CONVENIENCE
AND NECESSITY AT CASA GRANDE,
PINAL COUNTY, ARIZONA

DOCKET NO. W-01445A-07-0291

ADDENDUM TO REQUEST
FOR ADDITIONAL TIME
FOR COMPLIANCE FILING

On May 14, 2012 Arizona Water Company (the "Company") filed, in the above-captioned docket, a request for additional time to comply with certain compliance deadlines contained in Decision No. 70379 (the "Decision"). In support of its request, the Company provided certain documents, including, as Attachment 3 to its request, a copy of a letter from one of the owners of the real property located in the expansion area the Commission approved for the Company in the Decision. The letter documented the property owner's continuing need and request for water service from the Company and the property owner's desire that the Company continue to be the certificated water provider for the expansion area in order for the property owner to be able to continue with plans to develop its property.

The Company has since received letters from all of the additional property owners in the expansion area that, like Attachment 3, reaffirm the property owners' desire to obtain water service from the Company. Copies of these letters are attached to this Addendum as Attachments 4, 5, and 6 and, with Attachment 3, collectively confirm a continuing need and request for service from all of the real property owners in the expansion area.

Staff has also requested that the Company identify the amount of real property, by percentage, which is owned by each of the property owners in the expansion area. This information is summarized below:

- a. Casa Grande Mountain Ranch Limited Partnership (Attachment 3): 20%;
- b. Avra Plantation, Inc. (Attachment 4): 42%;
- c. Aubris Metro Partners IV LLC (Attachment 5): 7%
- d. 480 Casa Grande-Equestrian LLC (Attachment 6): 31%.

The Company has also since received, and is including with this Addendum, attached as Attachments 7, 8 and 9, respectively:

- a. An ADEQ Approval to Construct for Avra Plantation Phase I (approval for Parcel 4)
- b. An ADEQ Approval to Construct for Haugen Development (aka 480 Casa Grande Equestrian LLC) (approval for Parcel 5)
- c. An ADEQ Approval to Construct for Aubris Metro Partners IV LC (approval for parcel 1)

The Company has filed applications for approvals to construct for the additional parcels with ADEQ. The Company will docket such approvals as soon as they are received.

CONCLUSION

In view of the supporting information and documentation contained in the Request and this Addendum thereto, including, but not limited to, the request from all of the property owners in the expansion area for water service and continuation of the Company's certificate of convenience and necessity for the expansion area, the Company respectfully affirms its request that the compliance deadline under the Decision be extended to June 13, 2014.

1 RESPECTFULLY SUBMITTED this 17th day of August, 2012.
